

Directions

From the A5 at Capel Curig take the A4085 towards Caernarfon, passing on the left Plas y Brenin (The National Mountaineering Centre) and then the twin lakes of Llnau Mymbyr. After the second lake, the road rises and a farm track bears down to the left. Take the track (it is rough in places) , cross a bridge, and then up the hill to the farm buildings. The building passed on the right on the way up is a toilet and shower block. Turn right then left around the barn and then a sharp little rise leads to a parking area by the weather station. Park here. With your back to the twin lakes, the Hut is down a track on the left of a stone wall. It is possible to drive down this track but parking is very limited and ground conditions not good in wet weather.

Accommodation

The Hut has 3 rooms, a kitchen/dining room, a sitting room, and Alpine style bunks. **Please leave the top tier of bunks for Anabasis Members.**

Toilets, washroom and showers

There is a toilet and washroom at the Hut. A key for accessing the toilets is in the Hut. One of the toilets is adapted for use by disabled people although there is not full disabled access to the Hut. For showers, use the shower/toilet block provided for campers, reached by crossing the stile behind the Hut and then a diagonal trek across the field. Alternatively, take the track up to the farm and then walk down from there. Fees are payable for use of the showers.

Water

If the water supply is not working please follow the instructions on the notice board.

Gas Supply

There is a propane cylinder connected outside the Hut on the right of the door (going out). This supplies gas for cooking. Spare cylinders are located here, the spanner and key you will need can be found on the wall above the money box.

Stove

The stove is a wood burning stove. You will need to supply your own fuel. Under no circumstances can trees/shrubs on the farmland be cut down. The farmer (Mr Jones) objects strenuously!

Lighting

The lights are powered by a petrol generator (unleaded). Please bring your own fuel. It is sensible to bring supplementary torches, etc.

Smoking

SMOKING IS STRICTLY FORBIDDEN AT THE HUT.

Bicycles

Do not store bikes in the Hut or the toilet/washroom/porch. Secure locking will be provided outside.

Safety

Hut users are responsible for their own safety when using the Hut and for the safety of those in their in their care.

Departure

On leaving, please leave the Hut tidy and as clean as possible, taking away all refuse, including milk bottles and perishable food. There is a bin area near the toilet block. **TURN OFF THE GAS SUPPLY AND MAKE SURE BOTH DOORS ARE LOCKED.**

Returning The Key

Please report any damage or omissions discovered when returning the key to the Secretary. Sellotape the key to a piece of card containing the return address. This helps to prevent loss of key from the envelope and increases the chances it will find its way back to us.
